MEMORANDUM FOR THE SECRETARY

TO: THE SECRETARY OF THE ARMY
FROM: THE CHIEF OF THE BUREAU OF MILITARY ENGINEERING
SUBJECT: PROPOSED REVISIONS TO THE
MANUAL OF THE BUREAU OF MILITARY ENGINEERING
The following is a summary of the proposed revisions to the Manual of the Bureau of Military Engineering, which are being submitted for your consideration. The revisions are based on the experience of the Bureau during the past year, and are intended to bring the Manual up to date and to make it more useful to the Engineers.

The proposed revisions are as follows:

REVISIONS

- 1. The Manual should be revised to reflect the changes in the organization of the Bureau of Military Engineering.
- 2. The Manual should be revised to reflect the changes in the equipment of the Engineers.
- 3. The Manual should be revised to reflect the changes in the methods of the Engineers.
- 4. The Manual should be revised to reflect the changes in the materials of the Engineers.
- 5. The Manual should be revised to reflect the changes in the tools of the Engineers.
- 6. The Manual should be revised to reflect the changes in the techniques of the Engineers.
- 7. The Manual should be revised to reflect the changes in the standards of the Engineers.
- 8. The Manual should be revised to reflect the changes in the regulations of the Engineers.
- 9. The Manual should be revised to reflect the changes in the orders of the Engineers.
- 10. The Manual should be revised to reflect the changes in the reports of the Engineers.

Very respectfully,
The Chief of the Bureau of Military Engineering

THE SECRETARY OF THE ARMY
WASHINGTON, D. C.
